***Report on the Project Financial Statements***

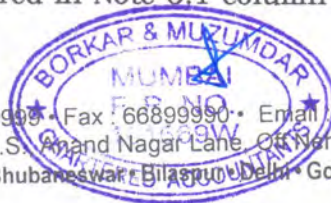

1. We have audited the accompanying Project Financial Statements of the Project (collectively referred as "the Statements"), which comprise the Statement of Sources and Application of Funds, the Statement of Reconciliation of Claims to Total Application of Funds, the Statement of Withdrawal Applications, related Significant Accounting Policies and the accompanying related notes as at and for the year ended March 31, 2017. In accordance with Contract No. PMU/Cons-F/025 dated May 02, 2017 ("the contract") entered with Project Management Unit ("PMU"), we also have audited the accounting and internal controls of the PMU (as described and set out in paragraphs 9.4 and 9.5 of Project Implementation Plan, dated March 23, 2012, and the accounting and internal controls of the PMU over the financial information submitted by the End Implementing Agencies ("EIAs") Selected by us in consultation with the PMU. The Statements have been prepared by the Management of NDSP's PMU in accordance with the basis of accounting and preparation set out in Note 3 to the accompanying Statements to comply with the Contract.

***Management's Responsibility for the Statements***

2. Management is responsible for the preparation of the Statements in accordance with the basis of preparation set out in Note 3 to the Statements that give a true and fair view of the Statements, laying down and maintaining effective accounting and internal controls in accordance with requirements of paragraphs 9.4 and 9.5 of the Project Implementing Plan. This responsibility include the design, implementation and maintenance of adequate accounting and internal controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

3. Our responsibility is to express an opinion on the Statement, opinion on the accounting and internal controls of the PMU, and the accounting and internal controls of the PMU over the financial information submitted by such EIAs as aggregated in Note 3 to the Statements. We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statements subject to the expenditure covered in Note 3.1 column (b) and (c) are free of material

misstatements and whether effective accounting and internal controls were maintained in accordance with paragraphs 9.4 and 9.5 of the Project Implementation Plan.

An audit involves performing procedures to obtain evidence about the amounts and the disclosures in the Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statements. Our audit of accounting and internal controls included obtaining an understanding of the accounting and internal controls assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the accounting and internal controls based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

The PMU's accounting internal controls is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Statements for the external purpose in accordance with the basis of preparation set out in Note 3 to the accompanying Statements. The Project's accounting and internal control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Statements;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of statements in accordance with basis of preparation set out in Note 3 to the accompanying Statements, and that receipts and expenditures are being made only in accordance with authorization of Management of PMU, NDSP and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the PMU's assets that could have a material effect on the Statements.

Because of the inherent limitation of Accounting and Internal Controls, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and may not be detected. Also, projections of any evaluation of the accounting and internal controls over financial reporting to future periods are subject to the risk that the accounting and internal controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**National Dairy Support Project  
(National Dairy Plan Phase I) (Cr No. 5074-IN)  
Project Management Unit, National Dairy Development Board**

**Notes Forming Part of Project Financial Statements**

1. National Dairy Support Project (“NDSP or the Project”) / National Dairy Plan Phase I (“NDP-I”) is a Central Sector Scheme implemented through a line of credit from International Development Association (“IDA”) for a period of eight years from Financial Year 2011-12 to 2018-19.

The total outlay of the Plan is ₹22,420 Million comprising of ₹15,840 Million as International Development Association (IDA) credit, ₹1,760 Million as Government of India share ₹2,820 Million as share of End Implementing Agencies (EIAs) and ₹2,000 Million by National Dairy Development Board (NDDB) and its subsidiaries by way of technical and implementation support. The Project is being implemented by the Project Management Unit (“PMU”) in NDDB through EIAs.

The Project’s Development Objective is to help increase the productivity of milch animals and thereby increase the milk production to meet the rapidly growing demand of milk and to help provide rural milk producers with greater access to organised milk processing sector in project areas.

2. The funds for the project flow from the budget of Department of Animal Husbandry, Dairying and Fisheries, Ministry of Agriculture (DADF), Government of India (GOI) to the PMU in NDDB as grant-in-aid for onward distribution to the EIAs. A separate bank account for receipt of funds and also separate project accounts are being maintained for NDSP/NDP-I funds as stipulated in the administrative approval issued by the GOI.

**3. Basis of Accounting and Preparation:**

The policies mentioned hereunder are adopted in the preparation of Sources and Application of Funds statement (the “Statement”).

- 3.1 The Project Financial Statements have been prepared by PMU in accordance with the provisions of the Contract No. PMU/Cons-F/025 dated 02 May, 2017.

The NDP - I, being a central Government project, accounts are maintained on cash receipts and disbursement basis, under Historical Cost convention and generally accepted accounting practices and standards in India. On this basis funds received from GOI and other receipts are recognised when received rather than when earned, and application of funds are recognised when the amount is spent by End Implementing Agencies or PMU in reporting period and such expenditure is approved by PMU till the time of submission of Interim Unaudited Financial Reports to the Government of India, rather than when the obligation is incurred.

The Project Financial Statement is the aggregate of Source and Application of funds at PMU and EIA, of which expenditure at PMU and of selected EIA has been audited by PMU auditor while remaining expenditure at EIA were either being covered by Regional Auditors appointed by PMU, NDDB or Auditors appointed by respective EIAs.

- 3.7 A scientifically planned multi-state initiative on genetic improvement program is launched under National Dairy Plan I (NDP I) to increase the milk production by increasing productivity of milch animals in existing herds through a focused and systematic process of feeding and breeding. Under Progeny Testing, Pedigree Selection and Bull Production through Transfer of Imported Embryos sub-projects, High Genetic Merit (HGM) bull calves have been produced and they were allocated to different semen stations at a rate fixed by expert committee, constituted by DADF, GOI.

PMU is in process of constituting guidelines for the use of funds generated out of the above sub-project activity. Till then, PMU has instructed EIAs to credit the sale proceeds, generated out of sale of bull calves to semen stations, in respective sub-project's bank account and disclose it as a distinct line-item in EIA's Balance Sheet as 'Corpus fund – Sale of Bulls produced under NDP I'. As of March 31, 2017, the above mentioned sub-projects has generated ₹195.25 Million out of sale of 855 HGM bull calves.

- 3.8 Sources and Application of Funds have been prepared without accounting the following for the reasons mentioned below:

As per policy for preparation of Project Financial Statements, the PMU, NDDB could not claim expenditure of ₹8.30 Million (Previous year: ₹52.22 Million) in IUFRR for the period January – March 2017 which was spent by EIAs towards sub-projects as EIAs in reporting period, submitted their claim to PMU post submission of IUFRR etc. to the Government of India / the World Bank.
